## Raising The Bar

### Taking “Missions, Devotions and Service” To a Higher Level

As we strive to review what we, as an organization, accomplished this year, think about the following questions completing the blanks that follow. Let’s see if we are “Raising the Bar” to the Glory of our Lord and for His Kingdom individually and as a group. (Those participating will be recognized.) Think about the following:

- Where are your women serving?
- How have your women been uplifted spiritually this year?
- What have your women accomplished this year to grow the Kingdom of God?
- Have you seen new energy emerge in new activities? What were they; how did this change your women?
- Why not share with others your adventures, your activities, your fun, your opportunities, your spiritual growth, your leadership, etc. on your “Journey” as a group this past year?

Share your work and excitement
